

# LARSON

Larson ottoman sofa - a simple solution for home comfort.

This sofa meets all the criteria of quality, comfort, and functionality to provide a truly complete home rest. Larson always looks good, and by adding an ottoman it gives the interior design a stylish comfort zone.

The Larson sofa adjusts to your unique modifications, both in size and design.

Transformation  
mechanism

The Larson sofa features a Euro book unfolding mechanism with a step-by-step transformation system for effortless daily use. Simply push the seat forward, and it will smoothly extend and lower itself to the floor without causing damage. Then, the backrest lowers, forming a

sleeping place. Larson sofa's adaptability allows resizing the bed in increments of +/-10 cm. To make the armrest on the ottoman its entire length or shorter, as well as to reduce the width of the armrests, it is adjustable in increments of 5 cm.
